A WORD TO PARENTS

1. This report is a continuous and comprehensive assessment done through the year of your child's physical, emotional, social and personality development along with his/her learning ability. The teachers have endeavored to give a fair and unbiased record of your child's work.
2. Our aim is to make sure that the child feels happy, secure and loved at all times.
3. In order to achieve the above targets, a continuous interaction between you and the teacher is very important.
